

Meeting Agenda

Location: Friggagatan 2 (at Felix's place)

Date: 2012-05-19

Time: 12:00

Facilitator: Jonathan Orrö

Participants: Niklas Andréasson, Niklas Logren, Felix Willebrand Westin

Objectives

Discuss general refactoring.

Discuss Linux.

Reports

Character no longer collides with bullet. Added new tests and background music.

Discussion items

We really need to fix linux. Why is it bothering us so much?

Outcomes and assignments

Linux might be acting up because of our test computer's graphics drivers.

Wrap up

Goals for next meeting:

- Fix linux.
