

Meeting Agenda

Location: Linsen

Date: 2012-03-20

Time: 13:00

Facilitator: Jonathan Orrö

Participants: Niklas Andréasson, Niklas Logren, Felix Willebrand Westin

Objectives

Discuss presentation of domain model tomorrow.

Reports

Basic use cases are finished.

Domain model is done.

Discussion items

Is our present use cases enough?

How should we go about presenting our domain model tomorrow?

Outcomes and assignments

We have enough use cases for now. We decided roughly how we're going to do the presentation.

Wrap up

Goals for next meeting:

- Upload documentation to repo.

- Research technical details, i.e. which frameworks are available for graphics/physics.
