Meeting Agenda

Location: 3207
Date: 2012-04-24
Time: 12:00
Facilitator: Niklas Andréasson
Participants: Niklas Logren, Felix Willebrand Westin, Jonathan Orrö

Objectives
Discuss testing.
Discuss refactoring of the code, what to do.

Reports
Testing works! We still need to write actual tests, though.

Discussion items
How should we refactor our project so as to be more comprehensible?

Outcomes and assignments
Decided to make a class Character and a corresponding CharacterView, for the model and the view respectively.

Wrap up
Goals for next meeting:
    Write some tests.
    Realise MVC better, split code up into classes.
