Meeting Agenda

Location: 3211
Date: 2012-05-02
Time: 15:00
Facilitator: Felix Willebrand Westin
Participants: Jonathan Orrö, Niklas Andréasson, Niklas Logren

Objectives
Discuss the overall design.

Reports
Bullets and WorldData implements the observer pattern. Removing bullets doesn't work fully, though.

Discussion items
Why doesn't bullet deletion work?
Bullets should fly in the direction of the mouse pointer.

Outcomes and assignments
Tried some stuff with bullet deletion, didn't help.

Wrap up
Goals for next meeting:
   Fix bullet deletion.
   Fix bullet direction.
